Type of project: Reconnaissance
County: Santa Fe
LA number(s): 189884
Project number: 41.1073
Project name: Shonnard DCA
No. of pages: [PENDING]

Subject: Shonnard House lot will be defined as an archaeological site. Based on initial historic artifacts recovered, features encountered had a mid-range date of the 1920s; a fuller range is anticipated due to the property's occupancy from the late 19th through mid-20th centuries. A few Native American ceramics were also collected--these dated to the 1800s. The City of Santa Fe Archaeological Review Committee accepted this report but requested additional archaeological treatment. AN 498--a treatment plan and final report--is pending.
